

Entertainer Application

Hi!

Thanks for your interest in sharing your talents at the St. Johns Farmers Market. In 2010, the market takes place each Saturday June 5th through September 25th.

This is a community volunteer driven non-profit enterprise, with the intent of supporting a local, sustainable food supply while providing opportunity for emerging and immigrant farmers, supporting healthy nutrition for all local residents, and enhancing the community and business vitality of St. Johns.

In addition, the market intends to bring out local musicians and artists to highlight the creativity and diversity of our neighborhood. Please fill in the information below to give us a better idea of who you are and what you do.
